

Sales Policy for **Madison's Meadow**

By going forward with a purchase of an animal indicates your agreement with these sales policies.

~General~

We guarantee the health of the animals that leave the Meadow. All of our animals are healthy and up to date on vaccinations. We cannot control the conditions to which they go. We will replace it upon receipt of a veterinarian's written report stating this problem exists due to breeder's fault or genetics. Let us know if you have questions about this.

Once a pick up date has been agreed upon, if an animal is not picked up a \$2.00 per day boarding charge will apply and is due, paid in cash, before the animal leaves the premises. Any additional costs for medicine or vetting is also the responsibility of the buyer. If pick up has not been made by 20 days past the agreed upon pick up date then animal reverts back to Madison's Meadow to be resold and all deposits forfeited. Deposits are non refundable. Paypal fees are non-refundable.

All animals traveling out of state must abide by the import export rules of the state they are going to. You can find information regarding this at the APHIS Veterinary Services website.

We will ship animals at the expense of the buyer. Contact us for information on this. We will use the Delta Pet First for air transport out of the Augusta, Georgia airport. If it is required that the animal must depart from another airport applicable fuel surcharges will apply. Buyer maintains responsibility for shipping costs (applicable tests, shipping crate, etc.) as well as cost of veterinary health certificate.

~ Goats ~

Please consider that goats are social animals and do not like to be alone. In that regard, we will sell single goats to those who already have goats or other livestock such as cows, horses, etc that will provide companionship to the goat. If you are just wanting one, consider getting a wether to be its companion.

All of our does and bucks are registered with ADGA. And may also be registered with AGS and/or NDGA. Wethers can be registered with ADGA and NDGA.

We will create wait lists for any babies to be born. To be included on the waitlist please email Madison's Meadow. Being on the waitlist does not obligate you to buy but it gives you the opportunity to have first glance and first pick of the babies. Once babies are born we will go down the wait list in the order that we received your request. Please be sure to specify your preference of buck/doe/wether and breeding pair when you submit your request to be on the wait list. You may want to consider a second choice in case your first choice isn't born.

No deposit is required to reserve an animal before it is born. To hold a goat once it has been born a deposit of \$50 must be made. Deposits are not refundable but can be transferred to another animal. If the goat becomes unhealthy or not suitable for sale the deposit will be refunded.

We reserve the right to cancel reservations on kids. Until kids are born, only the genetic potential of those kids can be evaluated. Once on the ground, kids will be evaluated and it will be decided if the animal is worthy of carrying our herd name into your herd. All buck kids not up to our standards will be wethered and sold as pets or companion animals. Any unreserved bucks remaining at 8 weeks of age will be wethered regardless of their quality. We strive to pass on only the best of our herd.

Payment may be made in the form of cash, paypal, or check. If paying by check, there must be sufficient time for the check to clear the bank before goat is picked up and paperwork released. Contact Madison's Meadow if you need to make payment arrangements. Do not send payment via Paypal without first contacting us. Buyer is responsible for Paypal fees and they are non-refundable.

Discounts for mutiple goat purchases are available. Generous discounts will be given to 4-H members with proof of 4-H membership. Please contact Madison's Meadow for information regarding discounts on your multiple goat or 4-H purchase.

Initial pricing of kids is determined by lineage, conformation, and potential as well as the dam's udder. Visual assessment of a kid, once it is born may change the price. Those on the waitlist will be given the posted price. Pricing of adults will be based on individual performance and lineage.

Doe prices range from \$300-?
Buck prices range from \$250-?
Wethers are priced at \$75 or 2/\$125
At our discretion, unregistered animals will be priced and sold.

We attend several shows each year and are willing to meet you at a show to transfer goats. Our show schedule will be posted. We anticipate attending shows in SC, GA, and OH.

We will ship kids at the expense of the buyer. Contact us for information on this. We will use the Delta Pet First for air transport out of the Augusta, Georgia airport. If it is required that the animal must depart from another airport applicable fuel surcharges will apply. Buyer maintains responsibility for shipping costs as well as cost of veterinary health certificate.

Before leaving the Meadow, kids will be disbudded, have hooves trimmed, be dewormed, and given their first CD&T.

We guarantee the health of the animals that leave the Meadow. All of our animals are healthy. We cannot control the conditions to which they go so cannot be obligated once they leave the Meadow. If your animal experiences a problem related to fertility, we will replace it upon receipt of a veterinarian's written report stating this problem exists due to breeder's fault or genetics. Let us know if you have questions about this.
